A very crazy birthday.
I would like to tell you a short story about girl's birthday.
It was a ~~very~~ crazy morning, and the girl who has birthday today was so happy. Her husband call his parents on her birthday. Girl was so busy all morning, she cooked a lot of meals and a big fish, brought some drinks and sweets. She was so proud of herself. Then, she went in the room to take on some make up, and then, she went to the door to meet her guests. They all were so happy and talk a lot with each other, but when she girl went in the kitchen, she saw an empty plate, without fish she has cooked this morning. She was so horrified, and her guests too. Girl was so sad and start crying, when her husband ran to the supermarket. He bought some fish and chips, and went back to the home. He brought the food and some drinks, light the candles and start telling the jokes. Everyone became happier, started to laugh and talking with each other, and the girl was happy again.
